

PETER MEYVAERT

Peter Meyvaert is an acclaimed multi-disciplined, exceptionally versatile artist, best known and highly respected for his work as composer/producer/ sound designer of music for television. The most prominent national Belgian TV networks (Eén, Canvas, VTM) put trust in his work on a regular basis.

His extensive collection of TV-tunes make him probably the most aired composer on Belgian television for two decades, being one of the major audio-stylists for national TV. He processed an endless list of TV-shows as composer and sound designer.

Numerous international commercials have included his music and/or sound design (Pepsi, Fanta, Mobistar, Opel, Chiquita, Senseo, Zwan, ...) and his extensive body of work also encompasses music and soundscapes for museums, theater shows, short films, soaps, industrial films, telephone networks and art installations.
